TRANSNATIONAL PROJECT MEETING IN SZEGED, HUNGARY

Partners of the SENIMA project held their summer meeting in Szeged, Hungary on 25-26 July 2023. The Agenda of the meeting included discussions on the state of work and remaining tasks on the SENIMA e-platform, the certification process, the toolkit and applied case study and the forms of support provided for the users of VET institutions.

CROSSLINKED PROJECTS: MEET THE GREEN ANGELS!

We are in constant search for European projects showing as much devotion to the topic of social entrepreneurship as we do.

Meet the **GREEN ANGELS** project, which focuses on the development of learning opportunities to tech basic, transversal and entrepreneurial knowledge.

The GREEN ANGELS project aims to generate a high-quality learning opportunity, incorporating the development of essential skills for self-entrepreneurship involving motivation and social inclusion activities. The GREEN ANGELS educational pathway aims to upskill low qualified and socially excluded migrants/BMEs and provide them with self-entrepreneurship competencies giving them the opportunity to fight against exclusion and marginalization and enter the labour market.

Name of the project: Creating upskilling pathways, improving accessibility and increasing take-up of adult education
