

Ceramic Artworks to Raise Esteem and Employability- C.A.R.E.

The project is funded under Erasmus+ Programme, KA220-YOU - Cooperation partnerships in youth of the European Commission.

Training week - Joint Staff Training Event

International training in Poland on how to promote the social and labour inclusion of visually impaired young people (V.I) through ceramic workshops

Our main goals

- To equip trainers with specialized skills to create an inclusive environment for visually impaired (V.I.P.) individuals.
- To provide youth workers, educators, and trainers with the necessary competencies to effectively engage visually impaired learners in classes and workshops.
- To develop strategies for seamlessly integrating visually impaired learners into pottery classes, promoting equal opportunities for skill development.

UPCOMING TRAINING EVENT
Blended Mobility of Learners
Cagliari, Italy 2024

Disclaimer: "Funded by the European Union. Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or the European Education and Culture Executive Agency (EACEA). Neither the European Union nor EACEA can be held responsible for them."

Inclusive Learning: Integrated Actions at Joint Staff Training Event

- Conducting ceramic workshops with hands-on clay experiences
- Providing training and updates on Savoir verve, behavioral, safety, and educational matters in relation to V.I. participants, implementing practical sessions
- Organizing educational tour to the Lotz school for V.I. individuals to gain deeper technological scope & operational insights into the target group
- Implementing ice-breaking activities for effective engagement.

Access valuable project resources on our Project Platform:

- Comparative Analysis.
- Manual on how to start ceramic workshops for the development of psychomotor skills.
- Handbook with the non-formal activities.
- A complimentary handbook with specific guidelines on how to engage and fully connect with the V.I. learners.
