WELLTEENS: 3RD TRANSNATIONAL PROJECT MEETING!

From 21st to 22nd of October 2025, **the third transnational partners' meeting of the WELLTEENS project took place in Krakow, Poland.**

The event was kindly hosted by the Fundacja Wspierania Kultury i Języka Polskiego im. Mikołaja Reja.

The meeting agenda was packed: partners presented the activities of the host organization, discussed the progress of work on each task package, and addressed project management issues.

The meeting was a great opportunity to plan further steps together and agree on joint actions for the next period. The cooperation proved to be truly productive and inspiring!

WP2: DONE!

Work Package 2 has been completed!

The result is a series of short videos from each partner on topics such as **Social Issues** (FOLLOW ME- Bulgaria), **Mental Health** (GESEME- Spain), **Education** (PELICAN- Czech Republic), **Work and Career** (PRISM - Italy), **Culture and Identity** (Rej Foundation- Poland), **Technology and Media** (LPNU- Ukraine).

All materials have been evaluated and approved and are now available on the project website >> www.wellteens.eu

THE WELLTEENS APP: WORK IN PROGRESS

The team is currently actively working on creating the WELLTEENS mobile app.

It is being developed with the needs of **Generation Z** in mind — it should be convenient, modern, and filled with all the necessary materials. The partners have already agreed on the graphic design and functional features of the app and discussed its content. Work is ongoing — we look forward to the results!
